

Journal publication requirements **«Humanitarian Bulletin of the Don State Agrarian University»**

The editors consider only those materials of authors that fully comply with the requirements indicated below.

«Understaffed» package of materials is not considered by the editors.

The scientific journal "Humanitarian Bulletin of the Don State Agrarian University" is an electronic periodical published quarterly 4 times a year, publishes articles, reviews, reports, messages and other works of scientific value. Materials for publication are accepted in Russian and English. Publication is free of charge, the edition number is sent to the author (authors) by e-mail. Articles are accepted constantly throughout the year and are included in the print schedule in the order in which materials are received.

Materials are sent to the editorial office by e-mail in two files, the name of the files coincides with the name of the author, for example: Ivanov information, Ivanov article. For articles written in co-authorship, information is provided for each author and must be placed in one file, headed by the name of the author who is first on the list.

The first file contains information about the author in Russian and English: full name, academic degree and academic title, position, contact information (place of work/study, postal address, phone number, e-mail).

In Russian - information:

On the assessment of the originality of the text.

About the absence of unreliable data in the submitted material.

The fact that this article has not been previously published and will not be sent to another publication.

On the absence of a conflict of interest with members of the editorial board.

About the absence of links to sites banned in the Russian Federation and materials of an extremist nature in the article.

The second file contains material for publication.

Manuscript requirements:

Volume - 0.4 -1.0 p.l. (15-40 thousand characters with spaces), Times New Roman font, size 14, line spacing 1.0, margins 2 cm on all sides, no hyphenation, paragraph indentation 1.25 cm, sheet orientation - portrait.

The submitted material should include the following elements of publishing design: UDC indices (in Russian); title, initials and surname of the author, abstract (50-100 words) and key words (5-8) in Russian and English.

For isolated text fragments, you can use the Arial font, etc. For tabular and auxiliary texts, you can use a smaller font. The figures are embedded in the text, the publication is published in color. Tables are submitted in Word format, should not exceed one page in size and should be given in portrait orientation of the sheet.

The list of sources used is drawn up in accordance with GOST R 7.0.100-2018 “Bibliographic record. Bibliographic description. General requirements and rules for drafting.

The bibliographic list is located after the text of the article, arranged in alphabetical order and numbered. References to the sources used are given inside the text after the quotation (stating the point of view of another researcher) in square brackets indicating the ordinal number of the citation source and page, for example: [5, p. 12]. The bibliographic list contains only the literature cited (used) in the article. The recommended minimum size of the bibliographic list is five sources. Footnotes are not allowed. Self-citation of more than one source is not allowed.

The bibliographic list is presented in Russian and English with transliteration (see Sample article formatting).

Manuscripts are reviewed by members of the editorial board and invited experts. Based on the results of the review, the manuscript can be returned for revision with brief editorial comments. The editors do not disclose the names of the reviewers, do not acquaint the authors with the text of the review, do not enter into substantive polemics with the authors. All materials are tested according to the Anti-Plagiarism program, the share of the original text must be at least 70%.

Automatic (machine) translation of the article, information about the author is not accepted!

The author bears full responsibility for the content of the article, the accuracy of the information provided in it, citations and the correctness of the indication of sources in the list of references, as well as the absence in the article of materials and information that are in closed or limited access.

The author submits the article and information about the author in electronic form to the e-mail of the editors: paf1@mail.ru
